

UPDATE Coronavirus Current Impact on International Shipping

In response to the coronavirus shipping and fulfillment from China is greatly affected due to the strict anti-coronavirus efforts being put in place. Philatron can offer any assistance as all of the Stallion Power Products are 100% Made in America.

SANTA FE SPRINGS, Calif. ([PRWEB](#)) March 04, 2020 -- In response to the coronavirus shipping and fulfillment from China is greatly affected due to the strict anti-coronavirus efforts being put in place.

While we are all concerned with the health and safety of our world population. It's important to communicate with your customers and stay on top of any changes.

Philatron can offer any assistance as all of the Stallion Power Products are 100% Made in America.

The Stallion Power coiled Air Lines offer superior anti-kinking and extra flexibility in cold temperatures. Made with a double wall thickness, corrosion-proof Armor Guard™, and anti-sagging engineering.

The Stallion Power ABS Electrical uses a nearly indestructible cabling system, and its own patented Xenoy plugs. The polycarbonate plugs outperform metal and are connected with tensile strength of 480 lbs. guaranteed not to corrode or freeze.

Stallion Power Air Lines and ABS Electrical are all backed by a 3-Year warranty which brings peace of mind and reliability.
