

Philatron Wire and Cable will be Attending the 2015 Electric & Hybrid Vehicle Technology Expo

We will be showcasing our electric vehicle cables offering a full line in both straight and coil cables. Our EV cables are UL listed TYPE EVJE and TYPE EVE 600 Volt Power Cable, the application of the EVE power cable is extra heavy duty for both indoor and outdoor use.

Santa Fe Springs, CA ([PRWEB](#)) September 11, 2015 -- Electric & hybrid vehicle technology expo: Passenger, Commercial, Off-highway. September 15-17, 2015. Novi, Michigan, USA

Stop by booth #1045 to discover many of Philatron's innovative product lines and learn how Philatron can help with engineering and design solutions. We will be showcasing our electric vehicle cables offering a full line in both straight and coil cables. Our EV cables are UL listed TYPE EVJE and TYPE EVE 600 Volt Power Cable, the application of the EVE power cable is extra heavy duty for both indoor and outdoor use. Our cables feature greater mechanical strength, lighter weight, temperature, abrasion, chemical, flame, water, and ozone resistant. Philatron is committed to providing the highest standards, our EV cables are rated +105°C to -50°C, with Underwriters Laboratories: UL-62, and National Electric Code: Articles 400 & 625 Standard.
